Work Experience

Litigation Assistant | *Zwicker and Associates, P.C.* | June 2025 - November 2025

- File documents to courts in 3 states both electronically and physically by mail
- Review legal documents, for accuracy, and suggest changes to attorneys before filing
- Maintain office-wide calendar used by attorneys and litigation assistants alike
 - Intake, organize, catalog, and add new hearings to the calendar daily as directed by staff attorneys
 - Monitor calendar for upcoming hearings and delegate related accounts to staff for further processing
 - Work with attorneys to avoid double booking and find appropriate coverage for hearings as needed

Front Desk Receptionist | *Vital Care* | October 2024 - May 2025

- Responds to inquiries and provides general company information to callers, and clients
- Greets clients and gives instructions regarding sign in procedures
- Record and update client information in company systems to make sure they are accurate and up to date
- Works closely with LMT's and Management to coordinate and streamline daily tasks
- Supports the completion of special projects and assignments
- Proofreads and edits company SOP documents for clarity

Software Developer | *Branding Brand* | September 2021 - January 2024

- Used React, React Native, and Typescript development to make world-class mobile e-commerce experiences that are used by millions each day
- Served as the point of contact for client stakeholders throughout all phases of the development lifecycle
- Constantly worked in tandem with multiple developers, designers, QA engineers and many others to plan, execute, and deliver production ready solutions
- Defined testing requirements, and authored unit and behavioral test cases while working alongside QA to ensure quality
